OUR STORY

In 2003, we recognized that there was a growing need for at-home senior care in the West Michigan community. Realizing that we could help fulfill that need and expand our continuum of care, Sunset at Home began.

We are dedicated to delivering compassionate, high-quality support that empowers the seniors we serve to maintain their independence safely and confidently.

Our care options work to keep medical costs down, prevent hospital stays, and help you stay independent and healthy, in the comfort of your own home.

OUR MISSION

To provide quality services to senior adults in a spirit of Christian love.

At Sunset Senior Communities, our mission is the foundation of every action we take. We are dedicated to providing high-quality and compassionate senior services that care for the total wellbeing of each individual we serve.
